RUBY SPONSOR LEVEL

BUSINESS OWNER OPPORTUNITY

In 2018 approximately five percent of the lead characters on main stream television are Hispanic/Latino, making the Hispanic/Latino population the most under represented demographic on main stream in the USA. And in film Hispanics are practically invisible.

Cellular Masterpiece art 4 art Gallery, part of a seven-year strategic plan was founded to subsidize and promote original Internet series entertainment productions featuring Hispanics/Latinos in principal and supporting roles as American characters through funds generated with the sales of our art exhibit offerings.

Our mission is to support and create entertainment to reflect the reality of the population in the USA by increasing the Hispanics/Latino presence on television to the reflect nearly 20% demographic.

The gallery is planned to open in the Fall of 2018. We are offering 3 levels of business sponsorships.

- I. Ruby Level Business Sponsor
- II. Diamond Level Business Sponsor (150)
- III. Title Sponsor (1)

We will begin our mission by supporting independently produced compelling Internet series projects which have the potential of becoming television series.

To achieve our mission, we need your support. Please consider supporting our efforts and reaching our goal in the next seven years, by becoming a sponsor of the Cellular Masterpiece art 4 art Gallery.

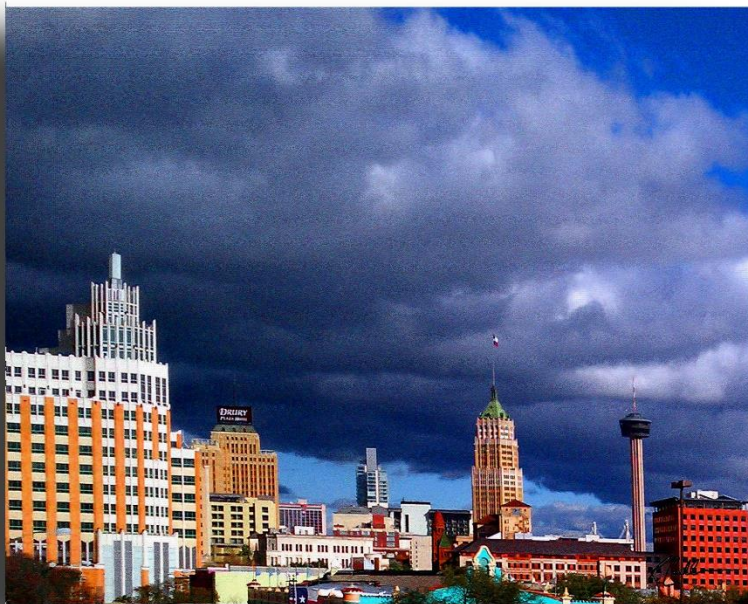

Thank You for your time and consideration. I hope you to meet you soon.
